

***Effective 5/10/2016***

**63J-1-218 Reduction in federal funds -- Agencies to reduce budgets.**

In any fiscal year in which federal grants to be received by state agencies, departments, divisions, or institutions are reduced below the level estimated in the appropriations acts for that year, the programs supported by those grants must be reduced commensurate with the amount of the federal reduction unless the Legislature appropriates state funds to offset the loss in federal funding.
